**Re: D.T.E. 03-60**

Dear Secretary Cottrell:

On November 24, 2003, the Hearing Officer issued a procedural order that, *inter alia*, established a December 19, 2003, deadline for “Verizon either to certify that its case is complete as filed on November 14, 2003, or file revised direct testimony with all supporting evidence and certify that its revised filing represents its complete case.” Enclosed is the Supplemental Panel Testimony of Verizon Massachusetts (“Verizon MA”) that represents, with the material already filed, its complete direct case. We note, however, that the record in this proceeding is likely to be far greater than what has been filed to date. Intervenors and Verizon MA will both be filing additional testimony in accordance with the Department’s schedule, and discovery requests and testimony at hearings will provide more record evidence. In that regard, today’s submission by Verizon MA is based, in part, on the information that CLECs have provided in response to Department information requests. If more information is forthcoming, or if existing information is amended or clarified, Verizon MA reserves the right to amend or supplement its submissions. With that reservation, Verizon MA certifies that its filing, as revised and supplemented today, represents its complete direct case.

Please note that there are public and proprietary versions of Attachments 1, 3 and 4 to the Supplemental Panel Testimony. The public versions are attached to the enclosed testimony. The proprietary versions of the Attachments are being filed with the Hearing Officer under separate cover subject to the terms of the Department's Protective Order.

If you have any questions, please do not hesitate to call me.

Sincerely,

Bruce P. Beausejour
